Youngest and Fastest to hit the Vector Hall of Fame.

#1 New Rep in the Nation in 1999.

#1 Overall rep in the nation in 2000.

First rep to sell \$200K. (Jon was the rep who negotiated with the company to have a Rolex for reps who hit the \$200K mark.)

Had streaks of 11 weeks in a row over \$4k, and 10 weeks in a row over \$6k, while in school.

Known for having big push periods. During his first summer, set the all time record with a push total of \$26,151. The next summer, broke his own record, selling \$69,905.

Today Jon runs a coaching company and consults with other companies like Vector to help them grow their sales.

Once and a while he reconnects with Vector by giving talks to reps, this is a rare opportunity to learn directly from somebody who was a mega-record breaker.
